Equine Externship Program

The Davie County Large Animal Hospital externship program provides veterinary students with the opportunity to gain “real-world” experience in a state-of-the-art practice from an abundant and diverse clientele of equine patients.

This program will allow students to experience a wide variety of high quality equine veterinary services such as Equine Surgery, Sports Medicine, Rehabilitation, Acupuncture and Chiropractic care, and Podiatry as well as General Healthcare and Emergency. Externs will assist clinicians in the hospital and/or on ambulatory calls daily during normal business hours. In addition, externs will have mandatory after hours/weekend duty to assist with emergencies and hospitalized cases.

Shared on-site housing is available for all externs per rotation and must be reserved when scheduling the externship. The duration of the externship may vary but must be a minimum of two weeks. Please note that the externship is an unpaid program.

Application Requirements

- A \$150.00 non-refundable application fee
- A one-page letter of Intent stating the **desired dates for the externship** and stating how the externship will benefit your education.
- Any documentation required by your veterinary school must be provided at the start of the externship. No paper work will be completed after the completion of the externship.
- A valid medical and professional insurance i.e. AVMA-PLIT or travel insurance i.e. www.allianztravelinsurance.com required.
- **If applicant is a 4th year veterinary student** a \$25 payment and filing *by applicant* with the North Carolina Veterinary Medical Board 15 business days before the requested registration date/beginning of externship.
