EQUINE INTERNSHIP PROGRAM

The Davie County Large Animal Hospital internship program gives recently graduated veterinarians the opportunity to gain knowledge and hands-on skills while working in a fast paced, fully equipped, with an abundant and diverse caseload of equine patients.

This demanding program allows the intern to gain experience in a wide variety of veterinary services such as Equine Surgery & Anesthesia, Lameness (conventional and Equinosis Q Lameness Locator), Acupuncture and Chiropractic care, Spinal Manipulation, Regenerative Medicine and Rehabilitation, and Podiatry as well as General Healthcare and Emergency Medicine. This program will sharpen the diagnostic, therapeutic and communication skills of the recent graduate.

Interns will assist clinicians in the hospital and/or on ambulatory calls every day. After a 30-day training/probation period, the intern may be given primary responsibility over ambulatory calls. The Intern is also responsible for some night/weekend care of any hospitalized patients, assisting the surgeon on-call with in-house emergencies. The intern will have primary responsibility on after-hours and weekends emergencies. One publication either a case report or retrospective study is desirable to be completed during the year.

Application Requirements

1. A one-page letter of intent stating your experience and professional interests.
2. Curriculum Vitae.
3. The contact information for 3 personal recommendations.
4. A veterinary license and accreditation to practice in the State of North Carolina by the time of hiring.
5. Willingness to work on a shared on-call/emergency schedule.
6. Work vehicle (Bowie Box not needed)

Applications are received year-round. Preference will be given to candidates who have successfully completed an externship and have visited the practice.
